The rest will be decided and created by the artist.

When you see pictures of your completed baby, it will be more like a natural childbirth or adoption!

Prices do not include shipping.

Every baby comes with a birth certificate, care guide, outfit, blanket, toy or lovey, and 2 diapers (1 cloth, 1 disposable).

I require 1/2 paid before starting baby, to cover basic customs supplies. This is non-refundable because it will be used right away to buy supplies to create your reborn baby.

The last 1/2 is due upon approval of emailed pictures, before baby is mailed. Creating a reborn takes time and patience, so please allow UP TO (with supplies bought in advance, so they will be delivered and here) 4 weeks for a custom order.

Reserve your custom spot on my custom calendar with a non-refundable \$25 deposit, which will count towards the first payment. At this time, I only accept payment in the form of Paypal (paypal.com.au is a secure way to pay with a bank account or credit card), cash (in person) and bank cheque/money orders. Sorry NO Personal Cheques.

Please contact me if you are interested in a custom OOak baby of your very own.
